## PROGRESSIVE JACKPOT RULES

1. For every hand dealt, the Dealer will remove \$1 from the pot when it reaches \$10, and an additional \$1 when it reaches \$20.
2. The new Bad Beat Jackpots will be set up as follows:

	Reset	Maximum Cap
Texas Hold'em	\$50,000	\$300,000
Omaha	\$2,500	\$10,000

Bad Beat Jackpots do not automatically reset. It is Poker Management's discretion when to start a Bad Beat Jackpot.

3. Only the top two (2) hands at showdown are eligible for the Jackpot and both hands must be the best possible combination of five (5) cards.
4. At least four (4) players must be dealt in on a qualifying table. Tables with less than four (4) players will not have a Jackpot drop.
5. Jackpots may only be won at tables with a Jackpot contribution.
6. Signage will be posted every day at 6PM detailing the published amounts for poker jackpot pools.
7. **Omaha:**
  - Four (4) jacks or better beaten by any better hand.
  - Two (2) of the four-of-a-kind must be hole cards.
8. **Texas Hold'em Primary Jackpot:**
  - Four-of-a-kind (Jacks) or better beaten by any better hand.
  - Both players must use both hole cards.
  - Two (2) of the four-of-a-kind must be hole cards.

**Texas Hold'em mini Jackpot, 10% of Primary Jackpot:**

  - Four-of-a-kind (2s) or better beaten by any better hand.
  - Both players must use both hole cards.
  - Two (2) of the four-of-a-kind must be hole cards.

### 9. The posted Jackpots will be awarded as follows:

- 50% will go to the qualifying losing hand.
- 30% will go to the qualifying winning hand.
- 20% will be divided among the players at the table who were dealt cards when the qualifying hand was dealt.

### 10. Jackpot Fund Allocation:

- 70% of the collected jackpot funds (minus any jackpots that exceed the previous day's collected jackpots) are added to the total jackpot fund for each type of game daily.

- All of the daily money added for Omaha will be added to the progressive prize pool for the Omaha game.
- 20% of the daily money added for Texas Hold 'em will be added to the progressive prize pool for the Texas Hold 'em game.

- 30% of the collected Jackpot funds will go to the Poker Marketing Promotion fund.

### 11. When there isn't a Texas Hold'em BBJ being offered or when the jackpot has reached its maximum amount any monies collected will go to the general prize pool jackpot fund for various high hand or other promotions relating to winning combinations or specific hand values ie: Flush etc.

### 12. Royal Flush Bonus:

- Any player dealt a Royal Flush in any suit will receive a \$200 bonus.
- In order to qualify, a player must use both hole cards in Hold'em

### 13. Poker Comp Dollar Program:

- Poker players will earn Comp Dollars based on time played. Comp Dollars will be earned in the CMP System. It is the poker players' responsibility when seated at an eligible table to present their card to begin earning Comp Dollars. The player is also responsible for submitting their card at the end of play to establish the Comp Dollars in their account.
- Comp Dollars that have not been redeemed after 60 days from time earned will expire.
