

## LIVE PLAY:

With 3 hours or more of live rated play using your players card you will receive free parking validation.

- This does not include Lobby time.
- Must be clocked into the table using your players card, as time will be validated using the Bravo system.
- If you receive parking validation and return to play the same gaming day, the same standard of (3) three hours will apply.
- When you are done playing, simply see a supervisor at the podium who will validate your hours of play through Bravo.

## TOURNAMENT PLAY:

With entry into any tournament event you will receive free parking validation.

- You will only receive (1) parking pass per event (not with each re-entry)
- If you play in the morning event and return for the evening event, you will receive free parking validation for both events.
- Should you return for any Day 2 event, you will receive free parking validation when you bust from that tournament (player must be listed on Day 2 seating chart).
